ARTICLE III
PROPERTY SUBJECT TO THIS DECLARATION:
ADDITIONS AND DELETIONS

Section 3.1 **No Implied Extension of Covenants.** Each Owner and each tenant of any improvements constructed on any Lot, by becoming an Owner or tenant, shall be deemed to have agreed that (a) the Property described on Exhibit A and such additional property as may be annexed pursuant to Section 3.2 hereof shall be the only Property subject to this Declaration, (b) that nothing contained in this Declaration or in any recorded or unrecorded plat, map, picture, drawing, brochure or other representation of a scheme of development, shall be construed as subjecting, or requiring the Developer to subject any other property now or hereafter owned by the Developer to this Declaration, and (c) that the only manner in which additional land may be subjected to this Declaration is by the procedure set forth in Section 3.2 hereof.

Section 3.2 **Additional Lands.** Developer may, but shall not be obligated to, subject additional land to this Declaration (or to the assessment provisions of this Declaration) from time to time provided only that (a) any additional land subjected to this Declaration (or its assessment provisions) shall be contiguous to the Property then subject to this Declaration (for purposes of this Section 3.2, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous), and (b) the Owners of property within additional lands made subject to this Declaration (or its assessment provisions) shall be and become subject

to this Declaration (or its assessment provisions), and shall be responsible for their pro rata share of common expenses for which assessments may be levied pursuant to the terms of Article VIII of the Declaration. Addition of lands to this Declaration shall be made and evidenced by filing in the public records of Clay County, Florida, a Supplementary Declaration executed by the Developer with respect to the lands to be added. Developer reserves the right to supplement this Declaration to add land to the scheme of this Declaration (or its assessment provisions) pursuant to the foregoing provisions without the consent or joinder of any Owner or mortgagee of land within the Property.

Section 3.3 **Withdrawal of Lands.** With the consent and joinder of Owners holding a majority of the votes in the Association, the Developer may, but shall have no obligation to, withdraw at any time, or from time to time, portions of the Property from the terms and effect of this Declaration. The withdrawal of lands as aforesaid shall be made and evidenced by filing in the public records of Clay County, Florida, a Supplementary Declaration executed by the Developer with respect to the lands to be withdrawn.

ARTICLE IV

Section 4.1 **Membership.** Each Owner, including the Developer (at all times so long as it owns any part of the Property), shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot.

Section 4.2 **Classes and Voting.** The Association shall have two classes of membership:

(a) **Class A Members.** The Class A Members shall be all Owners, with the exception of the Developer, who shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members of the Association. However, the vote for any such Lot shall be exercised as the Owner's thereof shall determine, but in no event shall more than one vote be cast with respect to any Lot.

(b) **Class B Members.** The Class B Member shall be the Developer who shall be entitled to three (3) votes for each Lot owned by the Developer. The Class B Membership shall cease and be converted to Class A Membership on the happening of either of the following events, whichever occurs earlier:

(i) When the total votes outstanding in the Class A Membership equals the total votes outstanding in the Class B Membership;

(ii) On December 31, 2004;

(iii) Three (3) months after ninety percent (90%) of the Lots have been conveyed to members of the Association other than the Developer; or

(iv) Such earlier date as the Developer may choose to terminate the Class B Membership upon notice to the Association.

167

ARTICLE V
THE MASTER ASSOCIATION

Section 5.1 **Membership.** Upon acceptance of a deed to a Lot, each Owner becomes a member of the Master Association. The Master Association, acting through its Board of Directors, shall have the powers, rights and duties with respect to the Property as set forth in the Fleming Island Declaration and the Articles of Incorporation and Bylaws of the Master Association, including without limitation, the right to levy assessments against each of the Owners. For purposes of the Fleming Island Declaration, the Property shall be considered a Village, as such term is defined in the Master Declaration.

Section 5.2 **Lien Rights.** The Master Association is entitled to a lien upon each Lot for any unpaid assessments due under the Fleming Island Declaration.

Section 5.3 **Priority of Declaration.** In the event of any conflict between the terms of and provisions of this Declaration and the Master Declaration, the terms and provisions of this Declaration shall control in all respects.

ARTICLE VI
COMMON AREA RIGHTS

Section 6.1 **Conveyance of Common Area.** Developer agrees that all of the Common Area and Community Common Area owned by Developer shall be conveyed or assigned to the Association, the CDD, or the Master Association, as applicable, subject to covenants, easements, restrictions and other matters of record, before the date which is ninety (90) days following the conveyance of the last Lot owned by the Developer to any third party. Upon the recordation of any deed or deeds so conveying Common Area or the Community Common Area, the Association, the CDD or the Master Association, as applicable, shall be conclusively deemed to have accepted the respective conveyances evidenced by such deed or deeds.

Section 6.2 **Owners' Easement of Enjoyment.** Each Owner shall have a right and easement of enjoyment in and to the Common Area and Community Common Area for its intended purpose, which shall be appurtenant to, and shall pass with, the title to the land of such Owner, subject to the following:

(a) The right of the owner of the Common Area, with the consent of the Developer (if different from such owner) and Owners holding not less than sixty-seven percent (67%) of the total votes of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility; or to mortgage the Common Area;

(b) All provisions of this Declaration, the Fleming Island Declaration, any plat of all or any parts of the Property, and all governmental restrictions, including the provisions of the PUD;

(c) Reasonable rules and regulations governing use and enjoyment of the Common Area or the Community Common Area adopted by the Developer, the Association, or the Master Association, as applicable;

(d) The rights reserved under Section 6.3 hereof to add to or withdraw land from the Common Area or Community Common Area;

(e) The rights of access to the Community Common Area by persons who are not members of the Association, which are created by Section 12.4 hereof.

(f) Easements, restrictions, agreements and other matters of record.

The foregoing easement of enjoyment in favor of the Owners shall not be construed to create or imply any other easements or rights not expressly created by this Declaration, it being the intent hereof to limit the Owners' rights of use of specific portions of the Common Area and Community Common Area to only the intended purposes of such portions of the Common Area and Community Common Area.

Section 6.3 Right of the Developer to Designate or Withdraw Property as Common Area or Community Common Area. Notwithstanding anything to the contrary contained in this Declaration, the Developer shall have the right, in its sole discretion, to designate land, easements, use rights and personal property owned by the Developer as Common Area or Community Common Area, provided only that such land shall be located within the Property or contiguous to the Property (for purposes of this Section 6.3, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous). For so long as the Developer shall own any Lot, the Developer may, at any time, withdraw, or cause to be withdrawn, land owned by the Developer from the Common Area in the Developer's sole discretion, or with the consent of the Master Association, from the Community Common Area. The prior sentence notwithstanding, in the event such withdrawal of Common Area or Community Common Area shall materially and adversely affect any Lot, or materially and adversely affect access, visibility, or drainage to or from any Lot, the Developer shall not have the right to withdraw such Common Area or Community Common Area without the consent and joinder of the Owner of the Lot which is so affected. Addition of land to and withdrawal of land from the Common Area or Community Common Area shall be evidenced by recording a Supplementary Declaration in the public records of Clay County, Florida, which shall specifically reference such addition or withdrawal. Withdrawal of land from the Common Area or Community Common Area shall terminate any and all easements and rights of use of the Owners or any other parties in such land. No land owned by the Developer shall be deemed to be Common Area or Community Common Area unless such land is expressly referenced as such under Sections 2.4 or 2.5 hereof, or subsequently designated as such by the Developer pursuant to Sections 2.4 or 2.5 hereof and this Section 6.3, even if the Developer consents or acquiesces to the use of such land by the Owners. In the event any land, easements, use rights, or personal

property owned by the Association or Master Association shall be withdrawn from the Common Area or Community Common Area pursuant to this Section 6.3, upon the Developer's written request, the Association or Master Association shall promptly execute and deliver to the Developer any and all deeds, bills of sale, assignments or other conveyance documents as may be necessary or appropriate to effectuate the withdrawal of such Common Area or Community Common Area.

Section 6.4 **Maintenance of Common Area and Surface Water or Stormwater Management System and Compliance with Applicable Permits.** The Association shall at all times maintain in good repair and manage, operate and insure, and shall replace as often as necessary, the Common Area and any improvements and landscaping (except utilities owned and maintained by public or private utility companies providing water, sewer, electrical, fire protection, cable television, telephone, or similar utilities to the Property, or any portion thereof) situated on the Common Area, if any. The Association shall conduct all such maintenance in accordance with all permit requirements and conditions contained in applicable dredge fill, consumptive use, surface water permits, or any other applicable permits issued by the United States Army Corps of Engineers ("ACOE"), Florida Department of Environmental Protection ("FDEP"), St. Johns River Water Management District ("SJRWMD"), and Clay County, Florida and all statutes, rules, regulations and requirements pertaining to surface water management, drainage and water quality promulgated by the SJRWMD, the FDEP, and all other local, state and federal authorities having jurisdiction. The CDD shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management System shall mean the exercise of practices which allow the system to provide drainage, water storage, conveyance of other surface water, or stormwater management capabilities as permitted by the SJRWMD. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. All maintenance obligations of the Association shall be performed as ordered by the Board of Directors of the Association, and all or any portion of the cost of such maintenance incurred by the Association pursuant to this Section 6.4, shall be a common expense of the Association to be collected and paid in the manner prescribed by this Declaration.

ARTICLE VII
ARCHITECTURAL CONTROL

Section 7.1 **Architectural Review and Approval.** Except for the initial construction of residential dwellings and related structures, landscaping, and other improvements ("Initial Construction"), no landscaping, improvement or structure of any kind, including without limitation, any building, fence, wall, screen enclosure, sewer, drain, disposal system, landscape device or object, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same have been submitted to, and approved in writing by the Association. All plans and specifications shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to specific conformance with architectural criteria which may be imposed from time to time by the Developer or the Association. It shall be the burden of each Owner to supply two (2) sets of completed plans and specifications to the Architectural Review Board ("ARB"), and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. The ARB shall approve or disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to an approved plan shall not be deemed approved unless a written approval is granted by the ARB to the Owner submitting same.

Section 7.2 **Architectural Review Board.** The architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of three (3) or five (5) members who need not be members of the Association. The Board of Directors of the Association shall have the right to appoint all of the members of the ARB. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors.

Section 7.3 **Powers and Duties of the ARB.** The ARB shall have the following powers and duties:

(a) To recommend amendments to the architectural criteria to the Board at such time as the Board shall have the right to adopt or amend architectural criteria for the Property. For so long as the Developer shall be entitled to elect or appoint a majority of the members of the Board, only the Developer shall have the right to promulgate, amend, eliminate, or replace architectural criteria applicable to architectural review to be conducted by the Association. At such time as members of the Association shall elect a majority of the members of the Board, such architectural criteria shall be promulgated, amended, eliminated, or replaced by the Board. Any amendment of the architectural criteria shall be consistent with the provisions of this Declaration. Notice of any amendment to the architectural criteria, which shall include a verbatim copy of such amendment, shall be delivered to each member of the Association. The delivery to each member of the Association of notice and a copy of any amendment to the architectural criteria shall not, however, constitute a condition precedent to the effectiveness or validity of such

amendment. It shall not be necessary for the architectural criteria, or any amendment thereto, to be recorded.

(b) To require submission to the ARB of two (2) complete sets of all plans and specifications for any improvement or structure of any kind requiring review and approval of the ARB pursuant to this Article VII. The ARB may also require submission of samples of building materials proposed for use on any Lot, and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and applicable architectural criteria.

(c) To approve or disapprove in accordance with the provisions of this Article VII, any improvements or structures of any kind (other than Initial Construction), or any change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot, and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB may, but need not be evidenced by a certificate in recordable form executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon review of any such decision shall be dispositive.

(d) To adopt a schedule of reasonable fees for processing requests for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.

Section 7.4 **Compensation of ARB.** The Board may, at its option, pay reasonable compensation to any or all members of the ARB.

Section 7.5 **Review of Initial Construction by Developer.** No Initial Construction shall be commenced upon any Lot unless and until the plans, specifications and location of the same have been submitted to, and approved by, the Developer in writing. All plans and specifications shall be evaluated as to visual and acoustical privacy, as to harmony of external design and location in relation to surrounding structures, if any, topography, existing trees and other natural vegetation, and as to consistency with this Declaration and architectural criteria made applicable to Initial Construction by the Developer from time to time.

Section 7.6 **Variance.** The Developer and the ARB may authorize variances from compliance with any architectural provisions this Declaration or applicable architectural criteria when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental considerations require same. Such a variance must be evidenced by a document signed by an authorized representative of the Developer or ARB, as applicable. If such a variance was granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and particular provisions of this Declaration or applicable architectural criteria covered by the variance, nor shall it effect in any way an Owner's obligation to comply with all governmental

laws and regulations, including but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority.

Section 7.7 **Exclusivity.** Notwithstanding any provision of the Fleming Island Declaration to the contrary, the rights of architectural review reserved to the Developer and the Association by this Article VII shall constitute the sole and exclusive rights of architectural review within the Subdivision, and neither the Master Association nor any other party shall have any right of architectural review with respect to the Subdivision.

Section 7.8 **Limited Liability.** In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Developer, the ARB, or the Association as contemplated by this Article VII, neither the Developer, the ARB, nor the Association shall be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way related to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld by the Developer, the ARB, or the Association.

ARTICLE VIII
COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 8.1 **Creation of the Lien and Personal Obligation of Assessments.** Each Owner of a Lot within the Property hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments, and any special assessments established and collected as hereinafter provided. All such assessments, together with interest thereon from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorneys' fees), shall be a charge and continuing lien upon each Lot against which each such assessment is made, and shall also be the personal obligation of each Owner. No Owner may avoid liability for the assessments by waiver of rights to use, or by non-use of, the Common Areas or by abandonment.

Section 8.2 **Purpose of Assessments.**

8.2.1 The annual assessments levied by the Association shall be used for the purposes of management and accounting fees, taxes, insurance, and utility charges relating to the Common Area, to fund the obligations of the Association set forth in Section 6.4 hereof, and for all other purposes reasonably contemplated by this Declaration, the Articles, the Bylaws, or any cost sharing or similar agreement to which the Association is or may become a party. Further, such annual assessments may be levied to fund reasonable reserves for deferred maintenance of, or non-recurring expenses related to, the Common Area. Assessments collected by the Association to fund reserves shall be separately accounted for, it being the requirement of this Declaration that such funds shall be used exclusively for deferred maintenance of, or non-recurring expenses related to, the Common Area.

8.2.2 The Board of Directors may levy special assessments for any purpose relating to permissible or required activities of the Association pursuant to this Declaration, the Articles, or the Bylaws. Any funds collected pursuant to such a special assessment shall be used solely for the purpose or purposes identified by the Board of Directors at the time such special assessment is levied.

Section 8.3 **Calculation and Collection of Assessments.** Annual assessments shall be established by the Board of Directors based upon an annual budget. Owners of Lots shall pay a pro rata share of annual and special assessments which shall be allocated among the Owners in an equal amount per Lot. The assessment obligations of each Owner other than the Developer shall commence upon the recordation of this Declaration in the current public records of Clay County, Florida. Annual assessments shall be collectable in advance on a periodic basis established by the Board of Directors from time to time, which periodic basis shall not be less frequent than annually. Special assessments shall be collectable in advance in the manner established by the Board of Directors at the time such special assessments are authorized.

Section 8.4 **Effect of Non-Payment of Assessment: Lien, Personal Obligation, and Remedies of Developer.** The lien of the Association shall be effective from and after recording in the public records of Clay County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount and the due date. Such claim of lien shall include assessments which are due and payable when the claim of lien is recorded as well as assessments which may accrue thereafter, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as herein provided. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record, and the affected Owner shall pay the cost of such satisfaction. If the assessment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the due date at the highest lawful rate, and the Association may at any time thereafter bring an action to enforce the lien authorized hereby by appropriate foreclosure proceedings and/or a suit on the personal obligation against the Owner. In the event the Association shall fail to bring such an action for collection of a delinquent assessment within thirty (30) days following receipt of written notice from any Owner demanding that such proceedings be commenced, such Owner shall be authorized to institute such proceedings. There shall be added to the amount of such delinquent assessment the costs of collection incurred by the Association, or such Owner, which shall specifically include without limitation reasonable attorneys' fees for trial and appeal.

Section 8.5 **Subordination of Lien to Mortgages.** The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any bona fide mortgage which is perfected by recording prior to the recording of the claim of lien for any such unpaid assessments. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of the affected Lot by deed in lieu of foreclosure, pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure of such mortgage. No sale or other transfer shall release any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments. A written statement of the Association that the lien is subordinate to a mortgage, shall be dispositive of any question of subordination.

Section 8.6 **CDD.** The CDD shall impose taxes or assessments, or both taxes and assessments, on each of the Lots which shall be payable to a special taxing district. These taxes and assessments fund the construction, operation and maintenance cost of certain public facilities of the CDD (including without limitation, the Surface Water or Stormwater Management System) and are set annually by the governing body of the CDD. These taxes and assessments are in addition to (i) all county and other taxes provided by law; and (ii) all assessments authorized by this Declaration or authorized by the Fleming Island Declaration.

Section 8.7 **Developer's Assessments.** Notwithstanding any provision of this Declaration to the contrary, during the Development Period (as defined below) the Lots and other portions of the Property owned by the Developer shall not be subject to any annual or special assessments levied by the Association or to any lien for such assessments. During the Development Period, the Developer shall pay the balance of the actual operating expenses of the Association (excluding costs of major repairs, deferred maintenance, replacements and reserves) remaining after the levying of and payment of assessments due from Owners other than the Developer pursuant to assessments levied by the Board of Directors pursuant to this Declaration. The Developer shall be obligated to fund such balance only as the expenses are actually incurred by the Association during the Development Period. The Development Period shall begin upon the conveyance of the first Lot in the Property to an Owner other than the Developer and shall continue until (i) the Developer shall notify the Association that it will no longer pay for operating deficits of the Association; or (ii) The Class B membership shall cease and be converted to Class A Membership. Upon termination of the Developer's agreement to pay operating deficits, the Developer shall become obligated to pay assessments on Lots owned by it within the Property on the same basis as other Owners. In no event shall the Developer be obligated to pay for operating deficits of the Association after the Developer no longer owns any Lots within the Property.

ARTICLE IX
EXTERIOR MAINTENANCE ASSESSMENT

Section 9.1 **Exterior Maintenance.** The Association may provide maintenance upon any Lot or Limited Common Area requiring same, when necessary in the opinion of the Association's Board of Directors to preserve the beauty, quality, or value of any or all portions of the Property. Such maintenance shall include but not be limited to painting, roof repair and replacement, repair of gutters, downspouts, and exterior building surfaces, and yard clean-up and yard maintenance. Each affected Owner shall have fifteen (15) days within which to perform the required maintenance after being notified in writing by the Association that such maintenance is necessary before the Association undertakes the maintenance.

Section 9.2 **Assessments of Costs.** The cost of any maintenance undertaken by the Association under the provisions of Section 9.1 shall be assessed against each Lot upon which such maintenance is performed or, in opinion of the Board, benefitting from same. Exterior maintenance assessments shall not be considered a part of the annual or special assessments imposed upon the Property pursuant to Article VIII of this Declaration. Any exterior maintenance assessment shall be a lien upon each Lot assessed and the personal obligation of the Owner of each such Lot and shall become due and payable in all respects, together with interest,

attorneys fees, and costs of collection, as provided for in Sections 8.3 and 8.4, and shall be subordinate to mortgage liens to the extent provided by Section 8.5.

Section 9.3 **Access**. For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after the notice to the Owner provided under Section 9.1, to enter upon any Lot at reasonable hours on any day except Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice as under the circumstances is practically affordable.

ARTICLE X
UTILITY PROVISIONS

Section 10.1 **Water System**. The central water supply system provided for the service of the Property shall be used as sole source of potable water for all water spigots and outlets located within or on all buildings and improvements located on each Lot. No Lot shall be divided, subdivided or reduced in size without the prior written consent of the Developer. reptiles, animals, fish and fungi in or on any such lake. No gas or diesel driven boat shall be permitted to be operated on any lake. Lots which now or may hereafter be adjacent to or include a portion of a lake (the "lake parcels") shall be maintained with such grass, planting or other lateral support as is necessary to prevent erosion of the embankment adjacent to the lake, and the height, grade and contour of the embankment shall not be changed without the prior written consent of the Association. If the Owner of any lake parcel fails to maintain the embankment or shoreline vegetation as part of its landscape maintenance obligations in accordance with the foregoing, the Association shall have the right, but no obligation, to enter upon any such lake parcel to perform such maintenance work which may be reasonably required, all at the expense of the Owner of such lake parcel pursuant to the provisions of Article IX of this Declaration. Title to any lake parcel shall not include ownership of any riparian rights associated therewith. No docks, bulkheads or other structures shall be constructed on such embankments unless and until same shall have been approved by the Developer. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with use of the surface waters of any lake adjacent to or nearby the Subdivision. The Association shall have the right to deny such use to any person who in the opinion of the Association may create or participate in the disturbance or nuisance on any part of the surface waters of any such lake. The use of the surface waters of any such lake shall be subject to rights granted to other persons pursuant to the rules and regulations of the Association.

If, in the discretion of the Board, any animal shall become dangerous or an annoyance or a nuisance to other Owners, or destructive of wildlife or property, such animal may not thereafter be kept on a Lot. Further, in the event any group of animals shall collectively become dangerous or an annoyance or nuisance to other Owners, or destructive to wildlife or property, the Board shall have the right to require the applicable Owner to reduce the number of animals kept on the Lot, or to take such other remedial action as the Board shall specify.

In order to implement effective control, the Association, its agents and assigns, shall have the right to enter upon any Lot for the purpose of mowing, pruning, removing, clearing, or cutting underbrush, weeds or other unsightly growth and trash which in the opinion of the Board distracts from the overall beauty and safety of the property in accordance with the provisions of Article IX hereof. During construction upon any Lot, any and all vehicles involved in the construction or delivery of materials and supplies to the site shall enter and exit the site only over the driveway or driveway subsurface and shall not park on any roadway or any Property other than the Lot on which construction is proceeding. Section 11.25 **Platting and Additional Restrictions.** The Developer shall be entitled at any time, and from time to time, to plat or replat all or any part of the Property owned by it, and to file any covenants and restrictions, or amendments to this Declaration, with respect to any undeveloped portion or portions of the Property owned by the Developer.

ARTICLE XII
RIGHTS AND EASEMENTS GRANTED BY DEVELOPER

Section 12.1 **Easement for Ingress and Egress.** All Owners and their guests, invitees, agents and employees, and all delivery, pickup and fire protection services, police, and other authorities of the law, United States mail carriers, representatives of the utilities authorized by the Association to serve the Property, holders of mortgage liens on any portion of the Property and such other persons as the Developer or the Association may designate from time to time, shall have and are hereby granted the non-exclusive and perpetual right of vehicular and pedestrian ingress and egress over and across all paved areas located within the real property more particularly described on Exhibit F attached hereto and made a part hereof (the "Roadways"). To the extent that additional lands are made subject to this Declaration pursuant to Section 3.2 hereof, the easement granted hereby may be expanded to include additional roadways by specific reference thereto contained in one or more Supplementary Declarations referenced in Section 3.2 hereof.

Section 12.2 **Rights to Restrict Access.** Notwithstanding the provisions of this Declaration to the contrary, the Developer and the Association shall have the unrestricted and absolute right to deny ingress to any person who, in the opinion of the Developer or the Board, may create or participate in a disturbance or nuisance on any part of the Property or on any land owned by the Developer which is adjacent to or near the Property. The Developer and the Association shall have the right, but no obligation, from time to time to control and regulate all types of traffic on the Roadways referenced in this Article XII including the right to prohibit use of the Roadways by traffic or vehicles (including and without limitation, motorcycles and "go carts") which in the sole opinion of the Developer or the Board would or might result in damage to the Roadways or pavement or other improvements, or create a nuisance for the residents, and the right, but no obligation, to control and prohibit parking on all or any part of such Roadways. The Developer and the Association shall have the right, but no obligation, to remove or require the removal of any fence, wall, hedge, shrub, bush, tree or other things natural or artificial, placed on or located on any portion of the Property, if the location of the same will in the sole judgment and opinion of the Developer or the Board, obstruct the vision of a motorist upon any of the Roadways referenced in this Article XII. In the event and to the extent that the Roadways or easements over and across the Roadways for ingress and egress shall be dedicated to or otherwise acquired by the public, the preceding provisions of this Section 12.2 thereafter shall be of no further force or effect.

Section 12.3 **Rights of Developer to Alter Roadways.** Developer and its successors and assigns shall have the sole and absolute right at any time, with the consent of the Clay County, Florida or the governing body of any municipality or other governmental body or agency then having jurisdiction over the Property, to dedicate to the public all or any part of the Roadways and all or any part of the easements reserved herein or on any plat of any portion of the Property. In addition, Developer shall have the right to redesignate, relocate or terminate any of the easement areas described in Sections 12.1 and 12.2 without the consent or joinder of any party so long as no Lot is denied reasonable access to a public dedicated street or highway by such redesignation, relocation or closure.

Section 12.4 **Community Common Area.** All residents of the CDD, and their guests and invitees, shall have and are hereby granted a non-exclusive and perpetual right of pedestrian ingress and egress over all portions of the Community Common Property. To the extent that additional lands are made subject to this Declaration pursuant to Section 2.2 hereof, the easement granted hereby shall be expanded to include any additional Community Common Property located within such additional lands by specific reference thereto contained in one or more Supplementary Declarations as referenced in Sections 3.2 and 6.3 hereof.

ARTICLE XIII
RIGHTS AND EASEMENTS RESERVED BY DEVELOPER

Section 13.1 **Easements for Ingress, Egress, Utilities and Drainage.** The Developer reserves for itself, its successors, assigns and designees, a right-of-way and perpetual, nonexclusive easement for ingress and egress and to erect, maintain and use electric, telephone and street lighting poles, wires, cables and conduits, and storm sewers, sanitary sewers, water mains and lines, and drainage ways and structures, or other public conveniences or utilities, on, in and over, (i) any portion of the Common Area; (ii) any area designated as an easement, private street or right-of-way area on any plat of all or any portion of the Property; and (iii) a strip of land within each Lot ten feet in width along the front, rear and sides of each Lot.

Section 13.2 **Drainage Flow.** Drainage flow shall not be obstructed or diverted from drainage easements. The Developer or the Association may, but shall not be required to, cut drainways for surface water wherever and whenever such action may appear to be necessary to maintain reasonable aesthetic standards relative to the Property and surrounding properties. These easements include the right to cut any trees, bushes or shrubbery, make any grading of the land, or to take any other reasonable action necessary to install utilities and to maintain reasonable aesthetic standards, but shall not include the right to disturb any permanent improvements erected upon a Lot which are not located within the specific easement area designated on the plat or reserved in this Declaration. Except as provided herein, existing drainage shall not be altered so as to divert the flow of water onto an adjacent Lot or into sanitary sewer lines.

Section 13.3 **Future Easements.** Developer reserves the right to impose further restrictions and to grant or dedicate additional easements and rights of way on any Lots within the Property owned by Developer. In addition, Developer hereby expressly reserves the right to grant easements and rights-of-way over, under and through the Common Area so long as Developer shall own any portion of the Property. The easements granted by Developer shall not materially or adversely affect any improvements or unreasonably interfere with the enjoyment of the Common Area.

Section 13.4 **Cable Television and Gas.** Developer reserves for itself, and its successors and assigns, an exclusive easement for the installation, maintenance and supply of radio and television cables and natural or propane gas mains and lines within the rights of way and easement areas depicted upon any plat of any portion of the Property or within any easement reserved by this Declaration.

Section 13.5 **Easements for Maintenance Purposes.** The Developer reserves for itself, the Association, and their respective agents, employees, successors or assigns, easements, in, on, over and upon each Lot and the Common Area as may be reasonably necessary for the purpose of preserving, maintaining or improving roadways, landscaped areas, wetland areas, lakes, ponds, hammocks, wildlife preserves or other areas, the maintenance of which may be required to be performed by the Developer or the Association.

Section 13.6 **Developer Rights Re: Temporary Structures, Etc.** Developer reserves the right for itself, its successors, assigns, nominees and grantees, to erect and maintain such temporary dwellings, model houses and/or other structures upon Lots owned by the Developer, which it may deem advisable for development purposes and to do all acts reasonably necessary in connection with the construction and sale of improvements located on the Lots within the Subdivision. Nothing contained in this Declaration shall be construed to restrict the foregoing rights of Developer.

ARTICLE XIV
MORTGAGEE PROTECTION

Section 14.1 **Rights of Mortgagees.** The following provisions are hereby made for the benefit of parties holding first mortgages that encumber any Lot or other portion of the Property ("Mortgagees"). To the extent that said provisions conflict with any other provisions of this Declaration, the following provisions shall control:

(a) The Association shall be required to make available to all Owners and Mortgagees, and to insurers and guarantors of any first mortgage, for inspection, upon request, during normal business hours or under other reasonable circumstances, current copies of this Declaration (with all amendments) and the Association's Articles of Incorporation, Bylaws, architectural criteria, rules and regulations and the books and records of the Association. Furthermore, such persons shall be entitled, upon written request, to (i) receive a copy of the Association's financial statement for the immediately preceding fiscal year, (ii) receive notices of and attend the Association meetings, (iii) receive notice from the Association of an alleged default by an Owner in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation or the Bylaws of the Association, which default is not cured within thirty (30) days after the Association learns of such default, and (iv) receive notice of any substantial damage or loss to the Common Areas or Community Common Areas.

(b) Any holder, insurer or guarantor of a mortgage encumbering a Lot shall have, if first requested in writing, the right to timely written notice of (i) any condemnation or casualty loss affecting a material portion of the Common Areas or Community Common Areas, (ii) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Lot, (iii) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, (iv) any amendment to this Declaration, the Association's Articles of Incorporation, Bylaws, architectural criteria or rules and regulations; and (v) notice of any extraordinary action taken by the Association.

ARTICLE XV
GENERAL PROVISIONS

Section 15.1 Remedies for Violations.

15.1.1 If any Owner or other person shall violate or attempt to violate any of the covenants or restrictions herein set forth, it shall be lawful for the Association, the Developer, or any Owner (i) to prosecute proceedings at law for the recovery of damages against those so violating or attempting to violate any such covenant; or (ii) to maintain any proceeding against those so violating or attempting to violate any such covenant for the purpose of preventing or enjoining all or any such violations, including mandatory injunctions requiring compliance with the provisions of this Declaration. The ACOE and the SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water or Stormwater Management System and/or jurisdictional wetlands or conservation areas subject to the control of the ACOE or the SJRWMD. In the event litigation shall be brought by any party to enforce any provisions of this Declaration, the prevailing party in such proceedings shall be entitled to recover from the non-prevailing party or parties, reasonable attorneys fees for pre-trial preparation, trial, and appellate proceedings. The remedies in this section shall be construed as cumulative of all other remedies now or hereafter provided or made available elsewhere in this Declaration, or by law.

15.1.2 In addition to all other remedies, and to the maximum extent allowed by law, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, lessees, invitees or employees, to comply with any covenant or restriction herein contained, or rule of the Association, provided the following procedures are adhered to:

- (a) For a first violation, the Association shall warn the Owner of the alleged infraction in writing.
- (b) For a subsequent violation, the Association shall provide the Owner with a notice of its intent to impose a fine for such violation. Included in the notice shall be the date and time of a meeting of a committee appointed by the Board of Directors (the "Rules Enforcement Committee") at which time the Owner shall present argument as to why a fine should not be imposed. At least fourteen (14) days prior notice of such meeting shall be given.
- (c) At the meeting, the alleged infractions shall be presented to the Rules Enforcement Committee, after which the Committee shall receive evidence and hear argument as to why a fine should not be imposed. A written decision of the Rules Enforcement Committee shall be submitted to the Owner not later than thirty (30) days after the Board of Directors meeting. At the meeting, the Owner shall have the right to be represented by counsel and to cross-examine witnesses.
- (d) The Rules Enforcement Committee, by majority vote, may impose a fine not to exceed the maximum amount allowed by law from time to time.

(e) Fines shall be paid not later than five (5) days after notice of the imposition or assessment thereof.

(f) The payment of fines shall be secured by one or more liens encumbering the Lot or Lots owned by the offending Owner. Such fines and liens may be collected and enforced in the same manner as regular and special assessments are collected and enforced pursuant to Article VIII hereof.

(g) All monies received from fines shall be allocated as directed by the Board of Directors.

(h) The imposition of fines shall not be construed to be an exclusive remedy, and shall exist in addition to all other rights and remedies to which the Association or any Owner may be otherwise legally entitled; provided, however, any fine paid by an offending Owner shall be deducted from or offset against any damages which may be otherwise recoverable from such Owner.

(i) The Rules Enforcement Committee shall be comprised of not less than three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director or employee.

Section 15.3 **Additional Restrictions**. No Owner, without the prior written consent of the Developer, may impose any additional covenants or restrictions on any part of the Property, but the Developer may include in any contract or deed hereafter made and covering all or any part of the Property, any additional covenants or restrictions applicable to the Property so covered which are not inconsistent with and which do not lower standards established by this Declaration.

Section 15.4 **Titles**. The addition of titles to the various sections of this Declaration are for convenience and identification only and the use of such titles shall not be construed to limit, enlarge, change, or otherwise modify any of the provisions hereof, each and all of which shall be construed as if not entitled.

Section 15.5 **Termination or Amendment**. The covenants, restrictions, easements and other matters set forth herein shall run with the title to the Property and be binding upon each Owner, the Developer, the Association, and their respective successors and assigns for a period of fifty (50) years, and shall be automatically renewed for successive ten (10) year periods unless terminated as herein provided. The Owners holding two-thirds (2/3) or more of the total votes of the Association may alter, amend or terminate these covenants provided however, that so long as the Developer owns any land within the Property, no such termination or amendment shall be effective without the written consent and joinder of the Developer. Further, until such time as the Developer shall not own any lands subject to this Declaration, the Developer shall have the unilateral right to amend this Declaration without the consent or joinder of any other party in any

manner which does not materially and adversely affect the value of any Lot or other building parcel located within the Property. Any amendment to the Declaration which amends the responsibilities or obligations of the parties with respect to the ACOE Permit, must have prior written approval of the ACOE. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Permits must be assigned to and accepted by an entity approved by the ACOE. Any amendment to this Declaration shall be executed by the Association and Developer, if applicable, and shall be recorded in the Public records of Clay County, Florida. For so long as there is a Class B membership, any material amendments to this Declaration, or extraordinary actions of the Association shall require the approval of HUD and VA, provided that HUD or VA has guaranteed one or more loans secured by any Lot or Lots within the Property.

Section 15.6 **Assignment of Permit Responsibilities and Indemnification.** In connection with the platting and development of the Property, the Developer assumed certain obligations in connection ACOE Permit. XIII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

A. To the extent allowed by law, the Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal

actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIV. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or in which they have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XV. DISSOLUTION OF THE ASSOCIATION.

A. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Dedication to any applicable municipal or other governmental authority of any property determined by the Board of Directors of the Association to be appropriate for such dedication and which the authority is willing to accept.

2. If no municipal or other governmental authority will accept such dedication, the remaining assets shall be distributed among the Members, subject to the limitation set forth below, each Member's share of the assets to be determined by multiplying such remaining assets by a fraction the numerator of which is all amounts assessed by the Association since its organization against the portion of Property which is owned by the Member at that time, and the denominator of which is the total amount (excluding penalties and interest) assessed by the Association against all properties which at the time of dissolution are part of the Property. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

XVI. MERGERS AND CONSOLIDATIONS.

Subject to the provisions of the Declaration applicable to the Property and to the extent permitted by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same purposes, provided that any such merger or consolidation shall be approved in the manner provided by Chapter 617, Florida Statutes as the same may be amended from time to time. For purposes of any vote of the Members required pursuant to said statutes, for so long as the Developer shall own any portion of the Property, any such merger or consolidation shall require the Developer's prior approval.

XVII. HUD/VA APPROVAL.

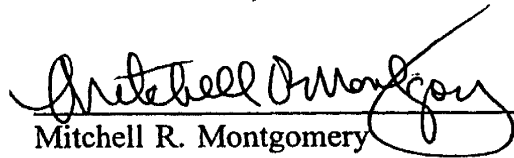

For so long as the Class B Membership shall exist, the following actions will require the prior approval of the Federal Department of Housing and Urban Development ("HUD") or the Veteran's Administration ("VA"): Annexation of additional properties, mergers and consolidations, mortgaging of the Common Area, dedication of Common Area, dissolution of the Association, and amendment of these Articles of Incorporation.
